COMMUNITY GROUP DISCUSSION QUESTIONS

- **ICEBREAKER:** What was a significant conversation that you had that had a major, enriching impact on your life?
- **Would you consider yourself a “prayer warrior” or not? What are the characteristics of someone who prays in the way of the passage?**
- **Who is someone you know that exemplifies these characteristics? What is keeping you from praying this way?**
- **How can you become a more effective “prayer warrior” this week? Which of the five areas would you say you would like to focus on more?**
- **What are some specific ways we can pray for one another? Spend some time as a group praying together for one another.**
