COMMUNITY GROUP DISCUSSION QUESTIONS

- **ICEBREAKER:** Imagine it's 2045—how do you envision your life in this futuristic moment?
- **Peter urges us to remember and be stirred up by the Scriptures. How can regularly engaging with the Bible keep us spiritually awake and focused on Jesus' return?**
- **Peter warns that scoffers will deny Jesus' return and live for their own desires. How do you see this kind of scoffing in today's world, and how might it influence your own faith?**
- **If you knew Jesus was returning today, how would that change your priorities and actions? How can you start living with that kind of urgency and focus now, even without knowing the exact time of His return?**
