## **COMMUNITY GROUP DISCUSSION QUESTIONS**

- **ICEBREAKER QUESTION: What is the craziest thing you've ever seen someone else do?**
- **Habakkuk cannot understand how God can use the evil Babylonians for good. How have you personally struggled to see God working when things got bad?**
- **Habakkuk knew enough about God to be confused. Why is it dangerous for us to not know enough about God's character when we go through troubling times?**
- **The Lord answered Habakkuk by telling him to write (God's Word), to wait (on God's work), and to walk by faith. Which of the three do you neglect when you face similar struggles?**
- **There are a lot of unhelpful sentiments when we struggle. What are some you heard? How can we believe the true statement: "God works all things for the good of those who love Him"? (Romans 8:28)**
