COMMUNITY GROUP DISCUSSION QUESTIONS

- **ICEBREAKER: Who is someone you trust without a shadow of doubt? What makes them trustworthy?**
- **In our passage, James says that genuine faith is one that trusts in God. What does it mean to trust God?**
- **Specifically, James says to trust God through every trial. Why do we find it difficult to trust God when facing hardship? How does James encourage us to trust God?**
- **James also says to trust God in the face of temptation. In what ways do you find yourself right now tempted towards sin rather than trusting in God? How does focusing on God's goodness help us to resist temptation?**
